Vocations... Before the Ascension, Jesus tells His Apostles not to leave Jerusalem - to wait - to pray for the Holy Spirit to show them God's will for their future. Where is the Holy Spirit leading you?

If you feel that you are being led to be a priest,

religious, or permanent deacon, call Fr. Matt McCarthy, Vocation Director, Archdiocese of Toronto at 416-968-0997 vocations@archtoronto.org / www.vocationstoronto.ca

Pope Francis @Pontifex... The love Jesus gives us is the same with which the Father loves Him:

pure, unconditional, freely given love. By giving it to us, Jesus treats us like friends, making us know the Father, and he involves us in his same mission for the life of the world.

Communion Reflection... The most coveted commodities during the covid-19 pandemic (besides toilet paper) included disinfecting products, particularly brands that claimed they could kill 99.9% of germs. The amount of cleaning potency is likely to keep us safe from contracting illnesses from surfaces; however, when it comes to sin, we need something even stronger to rid us of the deadly infection that plagues us all. There is no mild case of sin. It all leads to eternal death and separation from God. Our only hope is Jesus, the one who disinfects us completely. Jesus has the power to remove 100% of our sin, yet his cleaning power is not harsh on us. He took all the suffering we deserve upon himself and dies in our place. Now he gently calls us to bathe ourselves in his mercy.

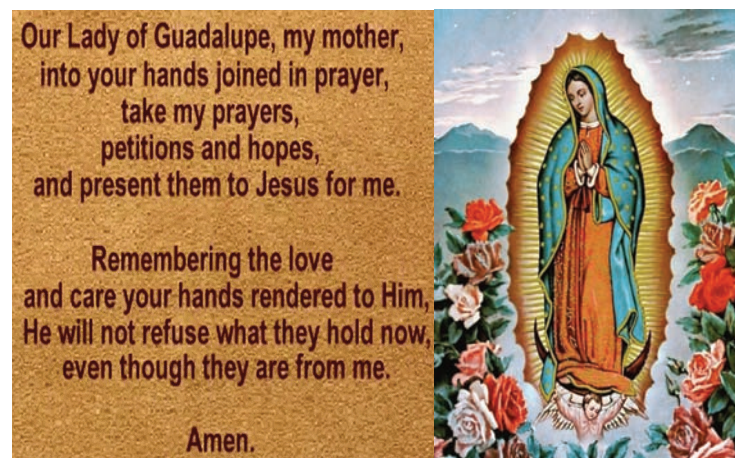

A man was driving around town one day and happened to get stuck behind a car going "too slow." When he zipped around him, he noticed the bumper sticker on the "slow car" read, "Do you follow Jesus this close?" How are we following Jesus these days? Are we too often in too much of a hurry that we zoom by people who might need our help and support? Are we so focused on being on time that we do not even see the people we pass by in our neighbourhood, church, and even our family who need to hear words of comfort, hope and forgiveness? Do we at times cut off conversations on the phone because we have too many other things we need to do? Lockdown is a great time to practice the art of "slowing down" and looking at and responding to the needs of others. It is a perfect way of following Jesus. Let us enjoy today's journey with the Lord, and "stop" along the way to serve and celebrate. Lord, keep us on your path as you keep close to us and to others on this road in life.

During the month of May special focus is placed on devotions, such as the Rosary. Visit our youtube channel to pray along with the Rosary at both churches, St. Cornelius & St. John's.

Humanitarian Relief - India's Covid-19 Outbreak

Since the pandemic began, India's Catholic Church, acting principally through Caritas India, has been supporting some of the most disadvantaged groups, such as those with inadequate housing, migrant labourers, persons with special needs and widows. Relief services and material provided by the Church, or with its support include: food at kitchens and distribution centers in slums, masks, sanitizers and hygiene kits, psychosocial support and hotline services, public education campaigns on infection prevention and vaccination, and supporting the public healthcare system from Church run clinics and hospitals. Those wishing to help may do so **online** through the Archdiocesan website: www.archtoronto.org ; by **phone** through the Development office 416-934-3411; or through the **Parish** - make cheques payable to St. John's - India Covid-19 Disaster relief.

Celebrating Heroes - National Nurses Week

Provide-A-Meal... The last weekend of the month is our Chili Collection for The Good Shepherd. Pans and recipes are available at the house porch of St. John's Church. Over 1300 meals and snacks are served every day. Your generous donations are making a difference. Chili's may be dropped off in the freezer, located in the porch of the house at St. John's Church.

Reflecting on your struggles with the covid-19 pandemic, could you be experiencing a unique wilderness. Do you sometimes feel alone and isolated as part of the "vulnerable" population? Are you hungry for companionship, eating out, plus in-person worship? How is Jesus helping you through your covid-10 wilderness? In Mark's Gospel, Jesus moves from his Baptism with the Father and the Spirit's ringing affirmation of his identity, through his desert wilderness experience, tempted by Satan, and onto the bold beginning of his saving ministry. In Jesus, we can live in our baptismal identity, grow through unique wilderness temptations and proclaim Jesus' saving love for those around us.

!!25th Anniversary of Priesthood!!

May 11, 1996 I was blessed to be ordained to the priesthood. Anniversaries are a time to look back and review. It has been such a wonderful privilege to be given an opportunity to serve you and the Church as a priest. The saying is true, time goes by quickly when you're having fun!! It is also true that if you find something you love to do, you will never work another day in your life. These past 25 years have never been work. They have been filled with joy, love, and countless blessings. You have allowed me to be part of your family, what an incredible gift that is!!! It has been such an honour to serve you here at St. John's and St. Cornelius since 2008. Over half of my priesthood has been spent with you, wow!! From the bottom of my heart, I send you my gratitude, love and prayers. I hope that, God willing, I will remain in your love and you will remain in mine, for many years to come.

Prayer in Time of COVID

Gracious God, you who are the author of all life, and who desire the well-being of all people, during these dark days of Covid-19, increase in us, respect and reverence for all human life. Grant restored health to the sick, comfort and hope to the dying, eternal peace for those who have died, strength to family members, relatives, clergy, friends and volunteers, renewed energy to hospital workers, PSWs, nurses, and doctors, and perseverance to all in the health care professions. Grant wisdom to scientists for the development of effective and moral vaccines, discernment and right judgements for legislators, aid to the discouraged, poor and vulnerable, courage and justice for front-line workers and all who risk their lives for the benefit of others, and keep always in our minds the vision of the true common good of all the world. We ask this through Jesus Christ, our Lord. Amen.
